AFFORDABLE HOMES through MassHousing
Question & Answer

What are the qualifications required for Prospective Buyers?

- Qualify based on the following maximum income table, which is adjusted for household size:

Household Size	1	2	3	4

LOTTERY APPLICANT QUALIFICATIONS:

- Household income cannot exceed the above maximum allowable income limits.
- Household must be a first time homebuyer defined as not having owned a residential property for three years, including homes in a trust. ** The following exceptions apply:

 - single parent, where the individual owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of who the individual has custody or joint custody, or is pregnant);
 - households where at least one household member is 55 or over;
 - households that owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; and
 - households that owned a property that was not in compliance with State, local or model building codes and that cannot be brought into compliance for less than the cost of construction a permanent structure.** A home owned by one of the above exception must be sold prior to closing on the affordable unit.
- Total household assets shall not exceed \$75,000. Liquid retirement assets are counted.
 - Individual retirement, 401K and Keogh accounts are included at 100% of the account value.
 - The value of Retirement and Pension Funds differ if you are employed or are no longer working. If still employed the value is determined using the amount you can withdraw less any penalties or transaction costs. At retirement, termination of employment or withdrawal periodic receipts from pension and retirement funds are counted as income. Lump sum receipts are counted as assets.
 - Assets divested for less than their fair market value within the last two years will be counted at their full Fair Market Value to determine eligibility.

Complete Income and Asset Guidelines will be provided upon request, if you have an opportunity to purchase or you can view online at www.mcohousingervices.com.

Other program highlights for Lottery applicants:

- Unit must be principal residence of the owners and cannot be rented or leased.
- Non-household members are not permitted to be co-signers on the mortgage.
- A mortgage pre-approval letter, from a bank experienced with deed-restricted properties, is required to participate in this lottery.

Are there mortgage guidelines that we need to follow?

Yes, they are:

- Be a fully amortizing fixed rate mortgage with a down payment of at least 3%, at least half of which must come from the buyer's own funds.
- Be made by an institutional lender.
- Have a fixed interest rate through the full term of the mortgage that is a current fair market interest rate.

Potential applicants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.

4. No more than 2 points.
5. Monthly housing (inclusive of principal, interest, property taxes, hazard insurance, private mortgage insurance and condominium or homeowner association fees) may not exceed 38% of the buyers monthly income for the mortgage.
6. Non-household members shall not be permitted as co-signers of the mortgage.

The mortgage must be from an institutional lender familiar with affordable deed restriction guidelines. FHA and VA loans are not accepted as they will not close on deed restricted properties that survive foreclosure.

Are there preferences for those with families?

Yes. Two of the three units are for households that meet at least one of the local preference criteria as stated on the application.

Household size preference for the two bedroom units will be given to households that require two bedrooms. Preference for the one bedroom units will be for households requiring one bedroom.

Unit preferences are based on the following:

- a. There is a least one occupant per bedroom.
- b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
- c. A person described in (b) shall not be required to share a bedroom if a consequence of sharing would be a severe adverse impact on his or her mental or physical health and reliable medical documentation is provided substantiating the adverse impact.
- d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
- e. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.

Persons with disabilities are entitled to request a reasonable accommodation of rules, policies, practices, or services or to request a reasonable modification of the housing, when such accommodations or modifications are necessary to afford the person(s) with disabilities equal opportunity to use and enjoy the housing. Requests must be made a time of application and any supporting documentation provided, ie. Letter from doctor.

Are there preferences for minorities?

Yes, if the percentage of minority applicants in the Local Preference Pool is less than the percentage of minorities in the Boston-Cambridge-Quincy, MA-NH HUD Metro FMR Area, currently 27%, a preliminary lottery will be held, comprised of all the minority applicants who do not qualify for the Local Preference Pool. Minority applicants would be drawn until their percentage in the local pool at least meets the percentage in the Boston-Cambridge-Quincy, MA-NH HUD Metro FMR Area. Applicants not selected for the local pool would be in the open pool only.

Are there any restrictions?

YES. Deed restrictions are used to ensure the units are affordable for future buyers. The deed rider requires principal residency, affordability for perpetuity and prior approval from the Town and Monitoring Agent for capital improvements and refinancing. If you choose to sell your unit you must notify the town and Monitoring Agent in writing. There is a limit on the resale price. The maximum resale price is determined by the Monitoring Agent using a Resale Price Multiplier, a figure calculated by taking the initial sales price and dividing it by the area median income. **For example**, if the initial one bedroom price is \$169,700 and the current area median income is \$103,400, the Resale Price Multiplier would be $\$169,700/\$103,400= 1.64$.

Upon resale, the Resale Price Multiplier is multiplied by the updated area median income number to determine the maximum resale price. A 2% resale fee would be added to the maximum resale price you would receive. The 2% fee would be used to pay the Monitoring Agent or their designated agent to sell your unit.

Potential applicants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.

All selected applicants are urged to review the deed rider with their own attorney. All buyers will be provided with a copy at the time of Purchase and Sale Agreement. Email maureen@mcohousing.com for a copy of the deed rider.

How much money do I need to make to afford the unit?

The minimum income required to purchase is based upon an applicant’s ability to secure a mortgage. Attached is a “Sample Affordability Analysis” based upon current interest rates and anticipated real estate taxes and related housing expenses.

Lottery Process

Due to the nature of the affordable units’ availability it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also be advised that the program and its requirements are subject to changes in local, state or federal regulations.

Lottery Pools

There will be two pools for this lottery, Local and Open. Two units will be in the local pool to applicants who meet at least one of the Local Preference Criteria as stated on the application. The units breakdown is:

	<u># of Units</u>	<u>Local</u>	<u>Open</u>
One Bed	2	1	1
Two Bed	1	1	0

All of the applicants will be pulled and their lottery code announced at the time of the lottery. This order of selection will establish the rankings for the unit’s distribution. There will be two pools of applicants. For example, if there are 10 Local applicants the first two applicants that meet the household size preference criteria for the one and two bedroom units would have an opportunity to purchase the home, and the remaining applicants would establish the waiting list for that home. The same process will be conducted for the one bedroom in the Open Pool.

Please note: Household size preference will override local preference. This means if we exhaust the applicants in the local pool that require three bedroom units we will move to the open pool for household requiring three bedrooms, before offering units to households requiring two bedrooms.

Time Frames

Covered Bridge Condominiums will be available for immediate occupancy post lottery. If you are selected and can purchase the unit you will speak or meet with a representative to review your application to verify all information. The Applicant selected for the home will start working with their lender immediately to secure the necessary mortgage. Please be advised that the final income verification will be done at the time you have an opportunity to purchase a unit. All applicants will be determined income/asset eligible BEFORE they are entered into the lottery. The selected applicants’ financial documents are verified again just before closing.

Acceptance of Home

If you choose not to purchase the property, you will go to the bottom of the list and will likely NOT have another opportunity.

Summary

We hope this helps explain the process by which the units will be distributed. It can be a lengthy and sometimes complicated process. We greatly appreciate your participation and wish you the best of luck in the lottery process.

Potential applicants will not be discriminated against on the basis of race, color, religious creed, marital status, military status, disability, national origin, sex, age, ancestry, sexual preference, source of income, presence of children, or any other basis prohibited by local, state or federal law.
